

Arizona Department of Public Safety (DPS) 2013 Aging 2020 Updates by Goal

Goal 2: Increase awareness and understanding of aging issues and help prepare Arizona for an aging population.

The role of education cannot be underestimated in planning Arizona's future. Education permeates nearly every section of the Aging 2020 Plan. Through education, the fears, myths and misconceptions about aging can be changed so that older adults, businesses, providers and Arizona, as a whole, can be free from artificial barriers that prevent all from realizing the full potential of our changing population.

Objective 2.1: Provide culturally appropriate information to older adults and their families to promote a broad understanding of issues that arise as we age and how to address them.
